# LINKPORTABLE

Portable Wi-Fi Speaker

## Features and Benefits

### JBL 360-Degree Pro Sound

Surround yourself with music. Enjoy crystal clear highs, sharp mids and deep, powerful bass. JBL Link Portable pulses sound in every direction thanks to a full-range transducer with 360-degree capabilities.

### Wireless streaming via Wi-Fi or Bluetooth

Stream music on your JBL Link Portable effortlessly. Keep the music going with seamless Wi-Fi or Bluetooth streaming and easily access your Spotify, YouTube Music or Apple Music with no interruptions.

### Hands-free help from the Google Assistant

Just say "Hey Google" to ask the Google Assistant to play your favorite songs, and get easy access to all your music.

### 8 hours of portable playtime

Catch the latest podcast or audiobook. Then listen to every song on your favorite album. With the JBL Link Portable, you will still have plenty of power to spare.

### Fully waterproof

IPX7 waterproof protects JBL Link Portable from all sorts of household mishaps no matter where you take it.

### Easy setup at home

Easily set up and manage the JBL Link with the free Google Home App for iOS and Android. Download, install, and play.

### Charging cradle

Recharging your speaker is a breeze. Plug the charging cradle into any outlet, place your JBL Link Portable on top and get back to the music in no time.

### Style and substance

The JBL Link Portable looks as good as it sounds. Choose from six bold colors to complement your style\*.

\*Please check locally for available color options.
