

## FL 8380

5-DISC CD CHANGER WITH  
HDCD® DECODING

In an age of generalists, meet a specialist. The Harman Kardon FL 8380 is a 5-disc carousel changer for audio purists. With dual Burr-Brown® digital processors for hyperrealistic HDCD playback (as well as enhanced playback of conventional CD's) and a dual D/A converter, there isn't a more natural-sounding CD changer available. And with a full complement of programming options, there isn't a more versatile one. The FL 8380. Do just one thing, and do it very well.
