iPhone

## ■ Harman Kardon The Bridge III P

Is your home entertainment system incomplete without music from your iPod or iPhone? Thanks to the Harman Kardon The Bridge III P docking station, connection and control are completely within your power. The Bridge III P connects directly to The Bridge-ready products and allows you to use your system's remote control to select and play audio and video\* content seamlessly – guided by easy-to-read on-screen or front-panel messages. Let the (gloriously uninterrupted) music begin.

\* Video playback on select Harman Kardon products.

## ■ Highlights

- Docks iPod and iPhone models with docking connectors (iPod/iPhone not included)
- Plays back audio files
- Charges your iPod and iPhone
- Plays back HD videos from iPhone
