It's an iPod** party machine with legendary JBL® sound. It's a space-saving, all-in-one computer sound system and iPod docking station. Connected to a TV, it's an iPod slide show and video player with, well, you get the idea. JBL Radial™ Micro is one of the smallest and most versatile multimedia speaker systems ever developed. And wherever and however you use it, it's among the best sounding systems out there. Experience clean, accurate full-frequency sound and tight, distortion-free bass from a compact device that looks great anywhere.
