Specifications

■ Harman Kardon® The Bridge III

Is your home-entertainment system incomplete without music from your iPod or iPhone? Thanks to the Harman Kardon® The Bridge III docking station, connection and control are completely within your power. The Bridge III connects directly to The Bridge-ready products and allows you to use your system's remote control to select and play audio and video* content seamlessly – guided by easy-to-read on-screen or front-panel messages. Let the (gloriously uninterrupted) music begin.

* Video playback on select Harman Kardon products.
