

# GT5 SUBS

GT SERIES™

## GT5 SUBWOOFERS

For more than 60 years, JBL has been delivering products embodying the technology developed in the professional arena – equipping leading recording studios and movie theaters, as well as live-music reinforcement in venues ranging from dance clubs to Woodstock. We continue to transform this expertise into products that provide the impact and excitement of a live performance. The JBL® experience is for enthusiasts who won't settle for anything less than "live" at home or on the go.

JBL GT5 subwoofers deliver best-in-class performance for those looking to add bump in the trunk. Three component subwoofers, from 10" to 15", are available in the GT5 lineup.

### PROGRESSIVE SPIDER

Each GT5 subwoofer features a progressive spider, which offers better control at the excursion limits than the linear spider commonly used by our competitors. This progressive spider reduces distortion at high output levels.

### VENTED POLEPIECES

These provide additional cooling to the motor structure, resulting in an increase in the subwoofers' thermal power-handling capability.

### GT5-10

10" (250mm) Single-Voice-Coil Subwoofer

- Power handling, RMS: 275 watts
- Power handling, peak: 1100 watts
- Frequency response: 30Hz – 500Hz
- Sensitivity: 88dB
- Impedance: 4 ohms
- Polypropylene woofer cone
- I-beam basket
- Progressive spider
- Hi-roll rubber surround
- Mounting depth: 5-15/16" (151mm)

### GT5-12

12" (300mm) Single-Voice-Coil Subwoofer

- Power handling, RMS: 275 watts
- Power handling, peak: 1100 watts
- Frequency response: 27Hz – 450Hz
- Sensitivity: 90dB
- Impedance: 4 ohms
- Polypropylene woofer cone
- I-beam basket
- Progressive spider
- Hi-roll rubber surround
- Mounting depth: 6-7/16" (164mm)

### GT5-15

15" (380mm) Single-Voice-Coil Subwoofer

- Power handling, RMS: 300 watts
- Power handling, peak: 1200 watts
- Frequency response: 25Hz – 400Hz
- Sensitivity: 92dB
- Impedance: 4 ohms
- Polypropylene woofer cone
- I-beam basket
- Progressive spider
- Hi-roll rubber surround
- Mounting depth: 7-5/16" (185mm)
