## Features and benefits:

### Premium Metal Earbuds

A solid metal housing - built to last. It's a classy pair of earphones that looks as good as it sounds.

### Bluetooth 5.0

Gives distortion free sound with reduced power consumption. Faster pairing and stable connection with your gadgets.

### 12 mm Driver

Glide 120 delivers dynamic sound with 12 mm drivers tuned for enhanced bass, smooth midst and crystal-clear highs for a unique and immersive musical experience.

### Dual Equalizer

Double up the fun by activating the dual equalizer. Switch between normal mode and deep bass mode to suit your mood by tapping the volume up and down button.

### 3-button remote

Play, pause, move to the next track, answer calls and do much more with the three-button remote feature. Stay in control without reaching out to your device.

### Hands-free calling

Wireless hands-free is the new norm. Let conversations flow freely with just a click. Enjoy handsfree calling anytime, anywhere!

### Flexsoft neckband

This ensures a snug fit around the neck. So, whether you are jogging, working out or listening to music while travelling, you can enjoy it for longer hours and with great comfort.

### IPX5 Sweat Proof

Enjoy your music uninterrupted without worrying about dust getting through or water spilling over it. IPX5 technology takes care of damage caused by dust and water. This makes Glide 120 a perfect companion for your outings and gym sessions.

### Voice Assistant Integration

The wireless technology gets even more interactive. With a push of a button get Google Assistant/Siri at your service. Ask weather updates, call friends, play your favorite songs.

### Magnetic Earbuds

Connect the magnetic earbuds with each other when not in use. No slip, no tangle and saves you the hassle of adjusting the wire all the time.

### 7 hours of playtime

No interruptions in your favourite music. Play your favourite music for 7 long hours on a full charge.

### Deep Bass

Get a superior sound experience with an enhanced Deep Bass. Immerse yourself in the moment.
