

# A sound idea just got one better.

Leave it to AKG to deliver on its signature sound in ear-bud headphones which offer the best of all worlds for the on-the-go professional.

The AKG Y15 is far from typical in the ear-bud category. They adhere to the same high standards of AKG engineering excellence in every way. They might be small and lightweight – yet they're constructed to meet the same AKG standards for sound quality, comfort, versatility and functionality. Come listen. Realize that you can have the best of everything in a commute-friendly, versatile, semi-open ear-bud that helps keep you connected to all your favorite devices – from iPhone® to iPod® and beyond. Small, yet responsive, the AKG Y15's are the perfect sound solution for today's on-the-go lifestyle. When it comes to AKG, sound quality rules.

## HIGHLIGHTS

- ▶ The comfortable ear-bud headphones offering independent volume control and AKG's award-winning signature sound.
- ▶ Attractive, ultra lightweight design, available in three cool colors (black, iris and white).
- ▶ Portability-friendly; ideal sound companion for your portable devices, complete with its own soft carrying pouch.
- ▶ Maximized fit.

## FEATURES AT A GLANCE

- ▶ **Comfortable ear-bud headphones offering independent volume control and AKG's award-winning, signature sound.**

These lightweight ear-buds deliver a quality of sound that far exceeds expectations – together with independent volume control for added convenience.

- ▶ **Attractive, ultra-lightweight design, available in three cool colors (black, iris and white).**

These ear-buds can be matched to your personal look and preference. Just because they're hard-working doesn't mean they can't look good too.

- ▶ **Portability-friendly: Ideal sound companion for your portable devices, complete with its own soft carrying pouch.**

No matter how you travel or which portable device you bring along as company, the AKG Y15's transform mere listening into total pleasure for the on-the-go lifestyle – complete with the added advantage of independent volume control and a soft carrying pouch.

- ▶ **Maximized fit.**

When it comes to comfort, fit is king and these ear-buds are supplied with snug-fitting ear sleeves for the ultimate in fit 'n' finish. So light you wouldn't want to take them off.
