FREE WFH

Wired over-ear headset with detachable mic

Features and Benefits

JBL Signature Sound

Powerful JBL Signature Sound delivered by 40mm drivers means your calls and music will be incredibly clear, whether you're listening to David Bowie or Dave from accounting.

Detachable voice-focus, noise-canceling microphone

Mic on or mic off, that is the question. Logging into a Zoom call? Time to mic up with advanced noise cancelling technology and voice control for mute. But you can also detach the mic when you're ready to focus on work or unwind with your favorite music.

Lightweight and durable

Comfort is key when you're busy working all day. A lightweight headband with PU-wrapped memory foam ear cushions means these headphones are designed for the long haul. In fact, the fit is so nice you might even forget that you're wearing them!

Compatible with universal chat apps

There are so many ways to network these days. Whether you're using Zoom, Cisco WebEx, GoToMeeting, Skype, or Microsoft Teams, JBL Free WFH headphones have you covered.

PC and mobile compatible

On the go, at the office, or working from home? JBL Free WFH headphones are both PC and mobile compatible so you can stay connected wherever you are.
