

# ZIP 500 On-Ear Wired Headphones

## Be Seen, Be Heard, Be Bold!

The bold new sound of music awaits you! The Zip 500 is made for those passionate about their tunes! The stylish design of these headphones will make them your go to favorite in no time. The lightweight, flat, foldable design makes it easy for you to carry your headphones everywhere you go. The rugged yet sophisticated design makes it a perfect companion to take on all your adventures. The 1.2m heavy duty tangle free cable offers enough length so you can comfortably place your phone in your pocket without pulling, stretching or adjusting the wires. Why fight with cables when you have the Zip 500.

The design of the Zip 500 is engineered for deep bass sound. With an Advanced Dynamic 32mm Driver, the Zip 500 delivers deep bass sound that brings alive your music. The soft cushion sits perfectly on your ears so you feel no discomfort whatsoever. The one button remote helps you attend calls, pause, play and skip songs with the push of a button. It's time to hear and be heard.
